### Best National Universities

There are 312 institutions ranked as being "National Universities." They offer a wide range of Bachelor, Master's, and Doctoral degrees. Some emphasize research. **\* Note on 230+** These Universities do not have an individual ranking in U.S. News

### Best National Liberal Arts Colleges

These are 223 institutions ranked as being "National Liberal Arts Universities." These institutions focus on Undergraduate education and offer at least half of all their programs in the Liberal Arts fields.

### Best Regional Universities

There are 656 institutions ranked as being "Regional Universities." They offer a full range of Bachelor and Master's degrees and some offer Doctoral degrees. The U.S. News ranks them in four areas of the U.S.; North, South, Midwest and West.

### Best Regional Colleges

There are 322 institutions ranked as being "Regional Colleges." These institutions focus on Undergraduate education and offer a broad range of programs in the Liberal Arts, Business, Nursing and Education. They grant few Master's degrees and the U.S. News also ranks them in the four regions of the U.S.
